COMPANY PROFILE

WHO WE ARE

WHO WE ARE

HK Sourcing International is a Complete textile solution and a Global sourcing platform of Textile Raw Materials. We source any raw material needed for textile Industry.

For Our customer, it means no logistic worries, No Excess Stock, No working capital blocked in Raw Material, with at the same time full guarantee on delivered quality.

Our customer do not have to find a supplier by their selves and by this they will reduce the risk of importing low quality goods.

We source products from many different countries, while our sale covers 10 to 15 different countries.

We are providing full services to ensure each and everything starting from sampling till delivery of requested material in buyer's warehouse.

We have established a network to cater the requirement of our buyers.

We value our clients tremendously and do everything that we can to provide the perfect sourcing across the Globe.

WHY HK SOURCING INTERNATIONAL

There are so many reasons but the main is that you are more likely find a high quality product quickly and efficiently.

Benefits working with HK Sourcing International.

1. Professional Sourcing Team
2. Trusted Manufacturers
3. Best quality
4. Best price
5. Audit existing suppliers
6. Manage negotiations and draft agreements
7. Perform factory inspections and quality
8. Manage shipping and logistics
9. Developments of Products as per buyer's requirement.
10. Protect the buyer's business secret.
