

PUNJAB INDUSTRIAL ESTATES DEVELOPMENT & MANAGEMENT COMPANY

TOGETHER FACILITATING
PROSPERITY

CEO MESSAGE

Punjab has, over the past few years, emerged as the most preferred investment destination in the country because of the facilitative environment it offers the investors. Punjab, with over 68,000 industrial units, is the most industrialized province with the industrial sector contributing 24 percent in the provinces GDP. The network of motorways and highways and availability of raw materials rightly make Punjab the supply chain hub of the country.

Punjab is also quite rich and abundant with young and hard-working labor force. The wide network of vocational and technical training institutions in the province produces skilled workers on regular basis for employment in the industry.

Punjab Industrial Estates Development and Management Company has become, over a period, a role model for infrastructure development organizations as we continue to set new benchmarks in development of industrial estates and in providing services to the industrialists. From providing one-stop facilitation services and world-class infrastructure in the industrial estates, PIEDMC has moved to providing cheaper electricity and gas to its customers from private sources.

Since its inception, Punjab Industrial Estates Development and Management Company (PIEDMC) has been committed to building a strong foundation for steady industrial growth by developing fully equipped modern industrial estates in the province. These industrial estates have so far attracted investments of over Rs. 450 Billion including FDI of US\$ 466 million and provided direct employment to over 200,000 persons.

On behalf of PIEDMC, I ensure complete support to our prospective investors and ask you to join hands to achieve the shared goal of prosperity in Punjab.

ABOUT PIEDMC

Punjab Industrial Estates Development & Management Company (PIEDMC), a company wholly owned by the Government of the Punjab, led by the private sector, and assigned to develop and manage economic zones in the province in a financially sustainable manner.

Company was established with an aim to promote industrialization, provide infrastructure for setting up industries & enhance industry climate in the province of Punjab. PIEDMC follows a self-sustaining model with an ambition to establish industrial estate in every district of the Punjab. PIEDMC has 9 fully functional industrial estates, and representing successful model of Public Private Partnership.

VISION

To create an environment with public private partnerships for businesses to thrive and grow, while creating jobs, incorporating innovation, gender equality, sustainability, and concentrating on Eco Industrial towns with firm responsibility towards environment and communities.

MISSION

PIEDMC aims to upgrade and develop more chains of industrial estates in Punjab by capitalizing on the existing strengths of our country, introducing new innovative ideas, and incorporating sustainability in our practices.

KEY OBJECTIVES

- Industrial Infrastructure
- Job Creation / Gender Equality
- FDI Exports
- Digitization
- Building Partnerships & Collaborations
- Economic Growth and Efficiency
- Sustainability

ONE WINDOW SERVICE CENTER

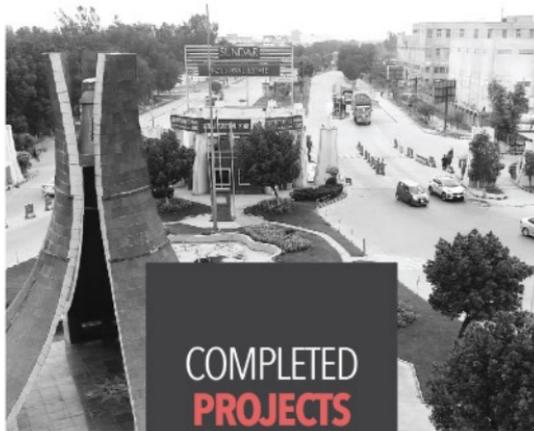

Punjab Industrial Estates Development and Management Company is not only working efficiently to develop industrial estates but also trying its best to facilitate industrialists through one window services. It is established in PIEDMC City office Quaid e Azam Industrial Estate kot lakhpat. The concept behind establishing the one window center is to provide multiple services to the local and foreign investors under one roof. Industrialists get required services in minimum waiting time from initiating application to getting approval status.

ONE WINDOW SERVICES

- Allotment of Land
- Provision of Utilities
- Construction and Building plan approvals
- Change of Nature of Business
- Assistance in SEZ application
- Preparation and Approval of SEZ application
- Completion Certificate
- Electricity Connection
- Water and Sewerage Connection

Industrialists get required services in minimum waiting time from initiating application to getting approval status.

COMPLETED PROJECTS

SUNDAR INDUSTRIAL ESTATE
1763 ACRES

QUAID-E-AZAM INDUSTRIAL ESTATE
565 ACRES

MULTAN INDUSTRIAL ESTATE PHASE 1
743 ACRES

MULTAN INDUSTRIAL ESTATE PHASE 2
667 ACRES

Sundar Industrial Estate is the flagship project of PIEDMC which was inaugurated in Feb, 2007 with a vision to compensate the growing demand of industrial estate in Lahore. SIE is located at 45km from Lahore at Sundar Raiwind road. It comprised of 1763 acres of land having more than 500 operational industries and providing jobs to almost 100,000 people. Due to its modern infrastructure and planned management all plots have been sold out in SIE. As per the business model of PIEDMC, after completing of development works SIE management has been handed over to the Board of Management which consists of Industrialists belong to SIE.

TYPES OF INDUSTRIES

- Textiles
- Food Processing / Manufacturing
- Packaging / Plastic
- Chemical / Paints
- Pharmaceuticals
- Engineering
- Auto parts

NET METERING

Punjab industrial estate development and Management Company approved net metering for Sundar industrial estate. Work has been initiated to install digital electricity meters in the estate. Industrialists will be able to have real-time monitoring of their electricity meters which leads to ensure transparency.

E-TAG

A state of the art E-Lane has been commissioned at all gates of SIE to real time monitor, control and regulate traffic flow while maintaining security parameters

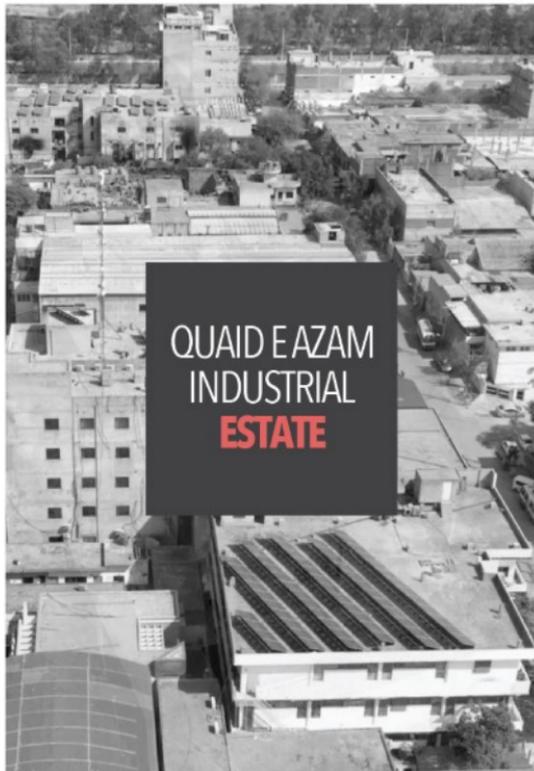

NEW GRID

Keeping in view the future electric consumption needs, PIEDMC has approved to set up a second grid station in SIE.

CSR ACTIVITIES

PIEDMC has also taken steps to provide facilities to the people living around the estates and to improve their quality of life. Board has recently approved the upgrading of Nahla Village adjacent to Sundar Industrial Estate, Establishment of Trauma Center, Internship program and a Labor colony.

QUAID E AZAM INDUSTRIAL ESTATE

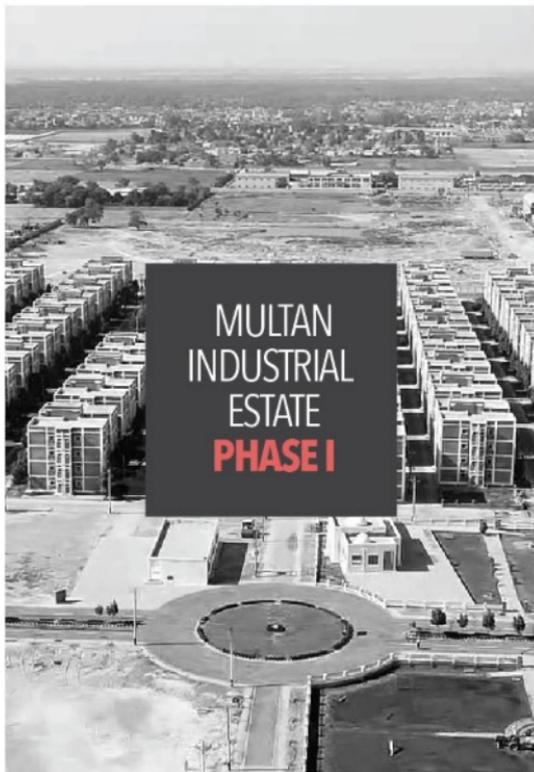

Quaid e Azam Industrial Estate is the oldest planned industrial estate in Punjab. It is located in the center of Lahore city and spreads over 565 acres with 477 industrial plots varying in size from 1 kanal to 100 kanals. In 2004, the ownership and management was transferred to PIEDMC. Now it is administered by the Board of Management duly notified by the PIEDMC. Approximately 362 acres is under industrial plots and remaining area has been dedicated for roads, infrastructure, amenities, utilities, commercial activities, green belts etc. Overall utilization is based on international standards and need assessment surveys.

TYPES OF INDUSTRIES

- Textiles
- Food Processing / Manufacturing
- Packaging / Plastic
- Chemical / Paints
- Pharmaceuticals
- Engineering
- Auto parts

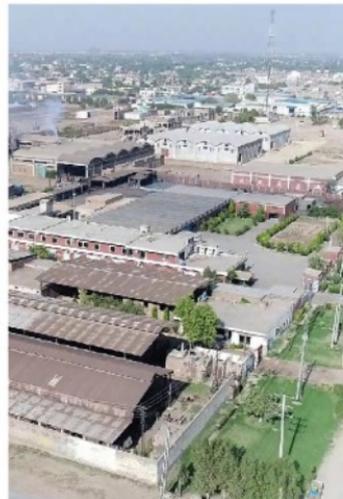

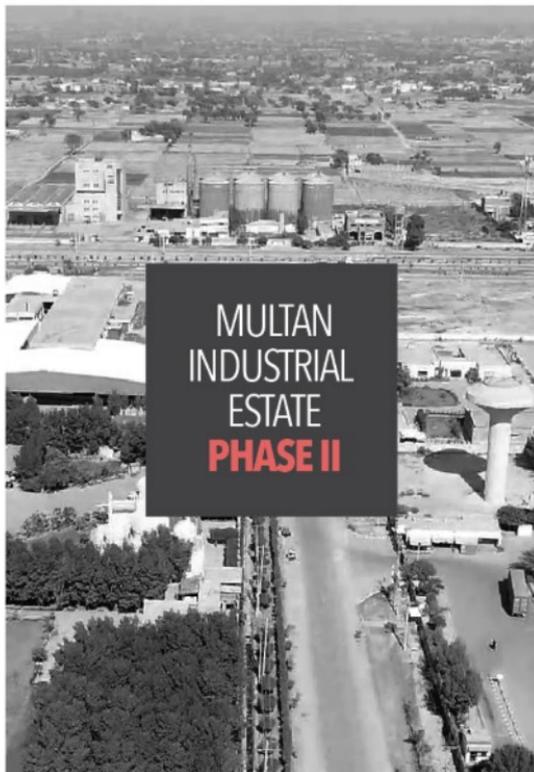

In 1960's Punjab Government decided to establish an industrial estate in two phases with an area of 1410 acres. Phase I of Multan Industrial Estate comprises of 743 acres which was developed in 1980's. All plots in phase I was leased out for the period of 99 years. It is located at a distance of about 15km south west of the Multan city. In 2004, Government of the Punjab formally handed over the MIE to the PIEDMC in order to revive industrial activity and to upgrade infrastructure.

Multan Industrial Estate is led by a Board of Management belonging to private sector representing various industrial segments of the estate.

PIEDMC board has approved the rehabilitation plan of the MIE phase I. A decent budget has been allocated for the roads, infrastructure, sewerage, security gates and other development works.

MULTAN
INDUSTRIAL
ESTATE
PHASE II

PIEDMC was assigned the task of development of phase II in 2006. It is adjacent to phase I at a distance of 17km south west of Multan city. Phase II is spread over an area of 667 acres out of which 426 acres have been allocated for industrial plots. The remaining area has been dedicated for amenities & infrastructure development.

TYPES OF INDUSTRIES

- Textiles
- Food Processing / Manufacturing
- Chemicals
- Pharmaceuticals
- Fertilizers / Pesticides

SPECIAL ECONOMIC ZONES

Special Economic Zones are established by the Government of Pakistan through Special Economic Zone Act (2012) to achieve rapid industrial development, attract foreign and local investment, export promotion, employment generation and creating spillovers for the economy. Federal government empowers the provinces to develop Special Economic Zone and get approved from the SEZ authority which is notified by the Federal Government.

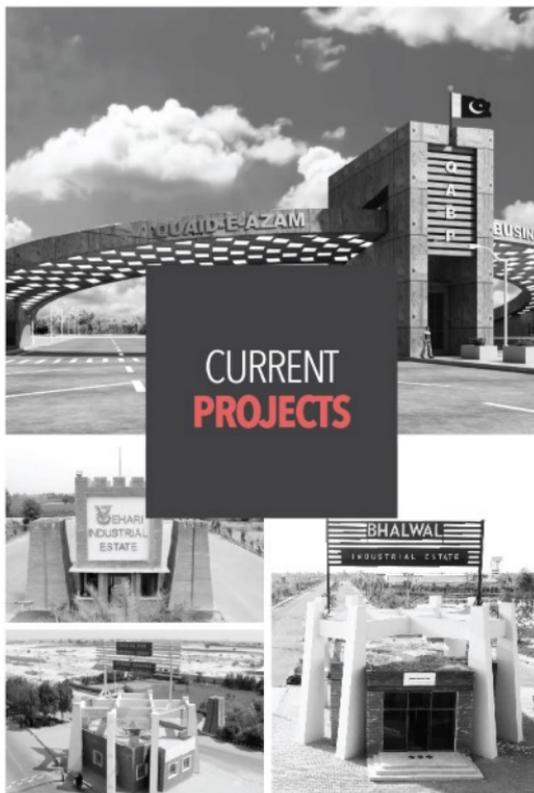

BENEFITS:

SEZ offers lucrative fiscal benefits to the industrialists which includes 10 years' income tax exemption and onetime exemption on all custom duties and taxes on import of capital goods. Government has granted the Special Economic Zone status to the four Industrial Estates under PIEDMC which are Quaid e Azam Business Park Sheikhpura, Vehari Industrial Estate, Rahim Yar Khan Industrial Estate and Bhalwal Industrial Estate.

REQUIREMENTS:

An SECP registered company.

QUAID-E-AZAM
BUSINESS PARK

BHALWAL INDUSTRIAL
ESTATE

RAHIM YAR KHAN
INDUSTRIAL ESTATE

VEHARI INDUSTRIAL
ESTATE

Quaid e Azam business Park is ideally located on Lahore-Islamabad Motorway M2 at Sheikhpura, the project is linked to all major cities, sea ports and dry ports of the country through a network of National Highways and Motorways. This landmark project is spread over 1800 acres of land.

Additional 200 acres have been dedicated for a labor colony that will provide accommodation facility to 30,000 project workers. After completion, this project will have the capacity to generate 500,000 new jobs for skilled and unskilled workers along with empowering a skilled women workforce. Due to planned facilities and pace of development works, Industrialists are taking keen interest in this project. Big names including Roomi Fabrics Pvt Ltd, Marhaba Laboratories Pvt Ltd, Fabrizio Pvt Ltd, Petpak Films Pvt Ltd, Novatex Ltd, Highnoon Laboratories Ltd are setting up their industries on fast track.

MEHREZ SAEED ANWAR
PROJECT MANAGER

DEDICATED MOTORWAY INTERCHANGE

PIEDMC has planned that QABP would be a world class Industrial Estate and have all the required services at one place. For this purpose, a Center Way Business Square is being constructed at the most central location of the park. CBS design spreads over 200,000 sqft which includes Ground, Mezzanine, First and Second floor. Factory outlets, Food points, IT incubation center, Conference halls, Meeting rooms, Medical center, waiting area, BOM offices and Business centers will be the integral part of the Center Way Business Square.

DEDICATED MOTORWAY INTERCHANGE

PIEDMC always gives priority to the connectivity of industrial zones. Location of QABP is finalized keeping in view the communication linkages of the estate. For providing better access and facilitating industrialists, a dedicated motorway interchange is planned and initial payment has been submitted to the National Highway Authority for its construction.

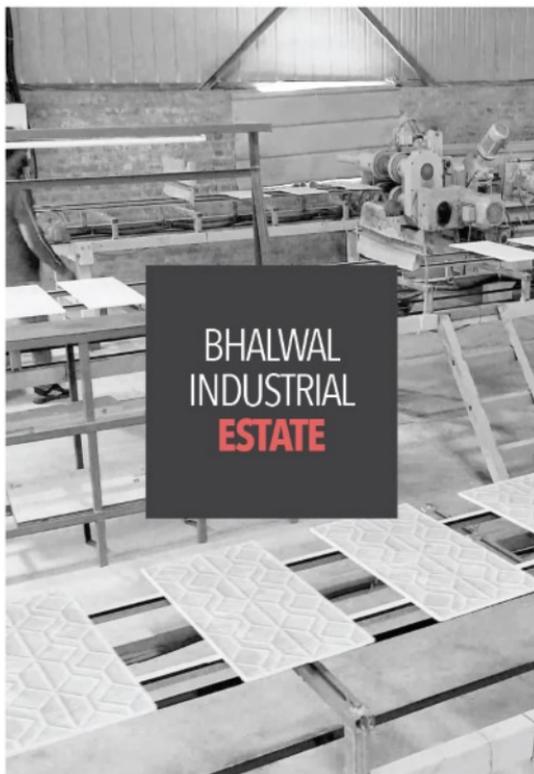

CETP

PIEDMC is fully committed to establish environment friendly industrial zones. Special emphasis is being given on construction of Combine Effluent treatment plant and huge budget is allocated for the said necessity.

DIPAK BANSAL

VEHARI INDUSTRIAL ESTATE

PIEDMC is developing an industrial estate on 251 acres in Vehari in order to cater the local industry and generate employment for the labor. The location is strategically beneficial for the industry as all kinds of skills, cheap skilled and semi skilled labor is easily available. The estate is developed to facilitate the growth of textile, flour, cotton and food industries. The estate is equipped with company provided security arrangements, which ensures property rights and an ideal atmosphere.

By providing safe investment opportunities, good yield on capital and basic facilities, the project improves the current state of investor's confidence. This industrial estate will prove to be game changer for development and growth of district vehari. Renowned Industries including Azan paper mills, Surriya Aslam and allied products, Ahmed Kamal paper industries, GSC steel and Pristine chemicals are already part of the VIE.

BALRAJINDER BHATIA
MANAGING DIRECTOR

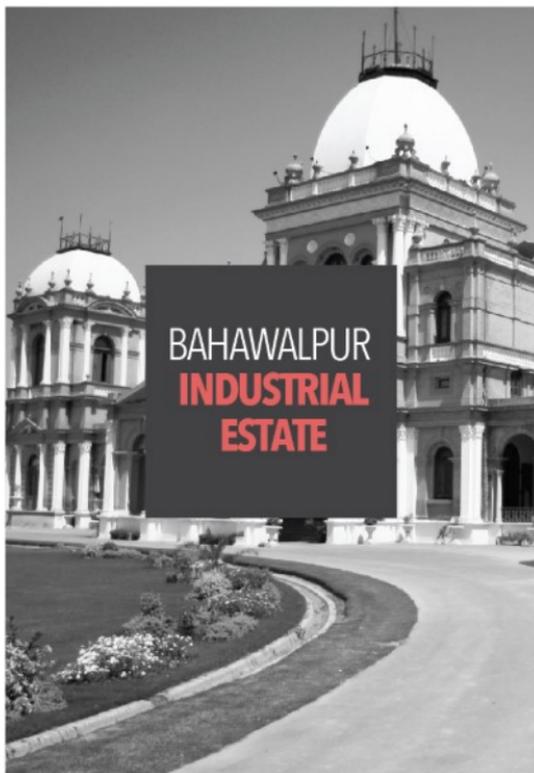

NEW AND
UPCOMING
PROJECTS OF
PIEDMC

Bahawalpur Industrial Estate is a lucrative project of PIEDMC spanning over 483 acres. Since, there is no planned industrial estate available in the surrounding areas, establishment of Bahawalpur Industrial Estate will be a landmark project in order to uplift the overall industry of the region, generating employment for the local residents.

Main raw material produce of Bahawalpur region is sunflower, cotton, mustard seed and sugar cane. However, this region yields big amount of wool.

BAHAWALPUR INDUSTRIAL ESTATE

Hence, Bahawalpur Industrial Estate will be a good option for industrialists from textile industry. Also, wool processing, weaving unit and oil extraction solvent plants has strong potential in the area. Development works are on full boom and will be completed by June 2024.

NANKANA INDUSTRIAL ESTATE

Understanding the needs of Industrialists and to fulfill the objectives for which the PIEDMC was formed i.e an industrial estate in every district of Punjab to generate employment and setting up industry, PIEDMC has started efforts to establish an industrial estate in Nankana.

As per the suitability and approach, proposed land is rightly located at the exit of Nankana Toll plaza, 30 minutes from Lahore, 25 minutes from Sheikhpura and 2.15 hours from Multan. Initial surveys depict that Industrialist's has shown their keen interest in the project and marking it as golden opportunity due to its significant location.

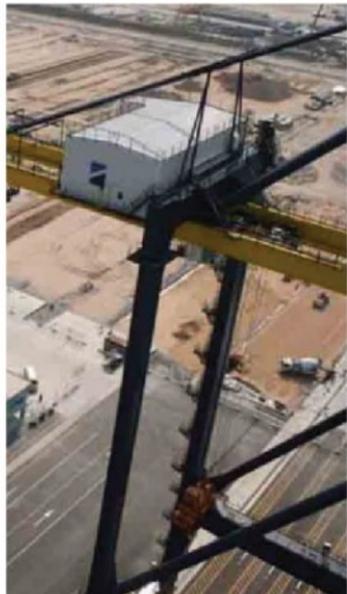

SIALKOT INDUSTRIAL ESTATE

Punjab Industrial Estates Development and Management is planning to establish a 1200 acres Industrial Zone at Sohanwali, Zafarwal and Ghazipur areas on the Lahore Sialkot motorway.

Process of Land acquisition has been started and task of preparing feasibility report is assigned to a Government agency.

Keeping in view the nature of industry and demand of industrialists, clusters will be designed in the proposed estate. Construction of separate grid station and water treatment plan is also in the plan.

How to apply for a plot in an SEZ?

You can request for the SEZ application format which can be sent to you via courier or email. You also have the option to collect the same from any PIEDMC office located in Lahore, Rahim Yar Khan, Bhalwal, Vehari and Multan. Once your SEZ Application and its supporting documentation is ready according to checklist, you will submit it in PIEDMC office for review. After review and upon satisfaction, your SEZ Application is recommended for processing by our Technical Committee, then photocopy sets will have to be arranged alongside scanning of file for uploading online, through the SEZ application portal.

Please visit to register as a Zone Enterprise: <https://sezmis.invest.gov.pk/sez/#/>

Who is eligible to apply for plot in the Special Economic Zones (SEZs)?

Only SECP registered, (Private Limited, Public Limited and SMC Pvt Ltd) companies are eligible to apply for an industrial plot in the SEZs

How much SEZ application processing fees is charged?

PIEDMC provides help and guidance to all its applicants through one window services without charging any processing fees

What utilities will be available by PIEDMC in its SEZs?

PIEDMC is responsible for development of infrastructure within the industrial zones/ estates and to provide utilities like: Electricity, Sewerage, Gas/ RLNG, Water and Telecommunication at the doorstep.

How will SEZs be managed and maintained?

PIEDMC shall fully develop and eventually hand over the day-to-day management of SEZs to private sector led Board of Management (BOM). This is usually done upon significant colonization or as decided by the Board of Directors (BOD) of PIEDMC. The BOD of PIEDMC shall nominate President and Members of the BOM from the resident owners of that specific SEZ. As per practice, the BOM shall function according to approved Rules of Business including levying and collection of monthly operations & management (O&M) charges

When is a plot handed over for possession in an SEZ?

Allotment & Possession of plots in an SEZ will only be allowed after grant of approval from the SEZ Committee. According to rules, a Zone Enterprise will have to take possession and start construction of the unit within the first 06 months from the date of their SEZ Approval Notification. Customers who are on installment plan need to first pay and clear balance payment against plot.

Can I start construction on my plot while development works are going on?

Yes. PIEDMC will provide access to the plot and temporary electric connection to facilitate construction of industry concurrent with the development of the SEZ project.

What is the building construction period?

The Zone Enterprise must complete the project and commence commercial production within 24 months from the date of its SEZ Approval Notification, and it is mandatory to start construction of the factory within the first 06 months from the date of SEZ approval.

Are there any penalties in case of delay in construction?

Yes, fees/ penalties shall be levied if the production is delayed. Moreover, the plot allocation may be subject to cancellation/ repossession if the Zone Enterprise fails to comply with the conditions stipulated in the Approval Notification.

Are the plots in an SEZ transferable?

Plots in SEZs are non-transferable, they can only be surrendered back to the developer, i.e.: PIEDMC

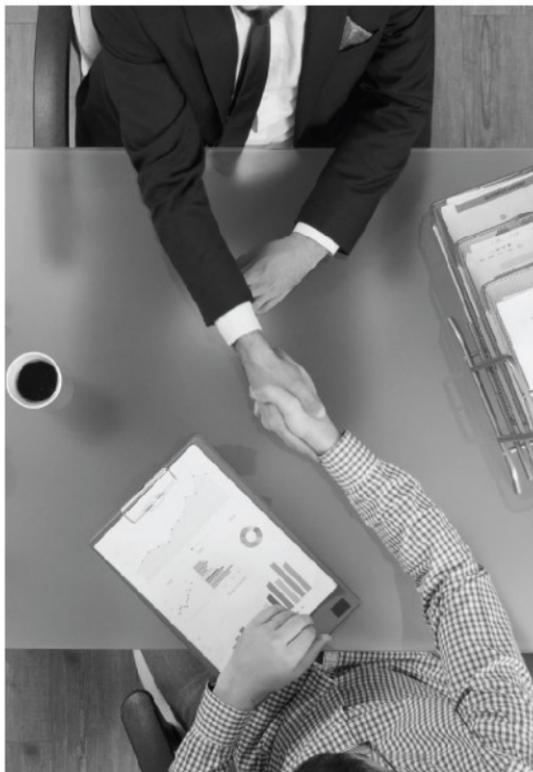

How much of the total plot area is to be covered in SEZ?

As per the rules, SEZ allottee's will have to cover and utilize 70 percent of the total plot area to construct the factory and its production related sections
