

**Manufacturer & Exporter of**  
Bleached, Dyed, Printed Fabrics,  
Made ups & Institutional Garments.

**Al Quresh Fabrics**  
**(PVT) LTD.**

## ABOUT OUR COMPANY

Established in 1998, as a weaver (Qureshi Weaving Factory), it started its Export business in 2006, as Al Quresh Fabrics & then changed its legal status from firm to the company i.e. Al Quresh Fabrics (Pvt) Ltd. in 2014.

We are manufacturing and exporting Home textiles & Institutional garments. We design and develop the products according to its customers' requirement, with best possible quality standards & on time deliveries.

Product innovation & diversification is beautifully done at Al Quresh Fabrics (Pvt) Ltd. Our main market is Europe however we are also doing some portion of our export to U.K., Australia, South Africa & U.S.A.

## CEO MESSAGE

Our mission is to sustain the development through social responsibility and economic growth. It is our responsibility to satisfy the customers through maintaining the required quality standards & on time deliveries.

We anticipate our customers' needs and try our best to improve their lives, providing the best possible quality goods. Accordingly company intend to get a fair return to the entrepreneur.

**MUHAMMAD TAHIR QURESHI**

## Fabric Procurement

Our Weaving Unit well equipped with following major machineries:

128
