# About Company

Established in 2015, Fashion Villaz is a Garment Manufacturer, Exporter and Retailer based in Pakistan.

We are running our Brand "BRUMANO", which is selling complete range of high quality Men's wear. All the garments are produced inhouse.

Our company is also engaged in manufacturing of garments for the local brands.

The company expertise is in Woven garments; mainly Shirts, Jackets and Workwear. With the help of experienced international marketing team; the products being produced are also exported all over the world.

We have constructed area of 100,000sq ft for production which helps us to extend the manufacturing smoothly.

# Energy Management

## Solar Power

We believe in green energy. All our machinery & power investments are made considering to reduce carbon footprint.

The complete garment manufacturing setup is running on solar power. We are adding up more solar power parallel with the increase of machinery.

# Retail Business

## BRUMANO

Company started retail operation in Nov 2015 as Online Store and first physical retail store was opened in Nov 2017 at Boulevard Mall Hyderabad.

Since then, the company is adding up new locations gradually and plans to open 50 stores nationwide.
