

Jaguar Group of Industries

Since 1984

A row of t-shirts in various colors (dark blue, red, green, dark blue, white) hanging on light-colored wooden hangers from a dark metal rack. The background is a plain, light-colored wall.

Incepted in 1984, Jaguar Private Limited has been an innovative as well as ambitious garment manufacturer producing products for an array of retailers, brands and importers for almost 4 decades.

Our Ethical Elegance Manifesto

A thick, light green curved line starts from the left side of the slide, below the title, and sweeps upwards and to the right, framing the text on the right.

Jaguar weaves a philosophy that blends textile with social and environmental responsibility. Our garments reflect both elegance and a commitment to our planet. Transparency is our bedrock, fostering a transformation in the fashion landscape where every stitch signifies positive change.

About Us

We take immense pride in introducing ourselves as a beacon of reliability and prominence in the world of fashion. Since our inception in 1984 under the visionary leadership of Mr. Asim Ul Haq, Jaguar Pvt has set forth on a journey to redefine the realm of garment manufacturing and exporting. Our unwavering commitment to crafting superior quality apparel and hosiery goods has made us a go-to choice for industries worldwide.

Nestled in the heart of Faisalabad, Pakistan, Jaguar Pvt stands tall as one of the largest and foremost apparel and clothing manufacturers. The Process

Sampling

We assure the manufacturing of samples within 4 to 7 days through the following steps:

- Gathering customer fabric and style requirements.
- Identifying and selecting suitable sources.
- Preliminary inspection and testing.
- Sending samples to customers and gathering feedback.

Pricing

Our extensive network in Pakistan enables us to offer the most competitive prices available in the country, achieved through these steps:

- Receiving and validating supplier quotations for quality and capacity.
- Negotiating and finalizing pricing.

Order Progress Process

Upon receiving orders, we collaborate with suppliers to plan processes and create critical paths highlighting key stages.

Production Monitoring

Thoroughly monitoring every step is vital to us. From fabric to patterns, cutting, bundling, machine distribution, checking, washing, pressing, and packaging, we ensure impeccable quality and meticulous attention to detail.

Product Development

Marketing requires multiple samples. We work with existing suppliers to develop buyer-requested samples in a timely manner. Order-related samples, such as approval, size set, and sales samples, are also part of our services.

Weekly Progress Report

Meetings with Merchandisers, Quality Controllers, and Logistic staff occur every Saturday. Customers receive status updates via email each Monday, ensuring transparency in order progress.

Quality Assurance

Jaguar stands out as one of the few garment manufacturing/trading companies in Pakistan with a quality plan compliant to international codes/standards (such as MIL, AATC, ASTM, and ISO codes). Quality checks occur in four production stages:

- Pre-production check (PPC)
- Initial production check (IPC)
- During production check (DUPRO)
- Final random inspection (FRI)

Shipment Arrangement

Coordinating vessel shipments with forwarders and overseeing shipment points for smooth connections ensures efficient delivery.

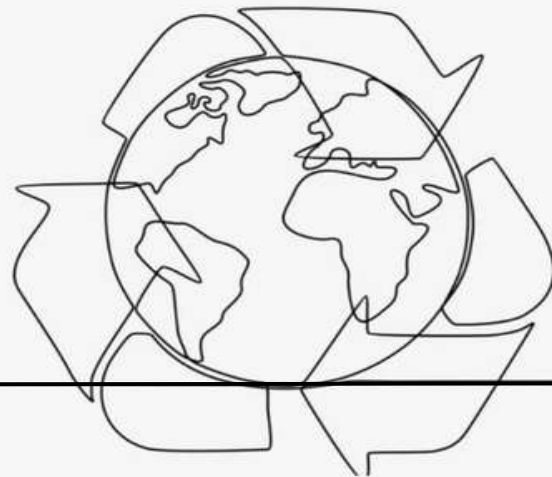

*Disclaimer: Clients must specify inspection requirements, Third Party Inspection Company, AQL, and code/standards before placing order to maintain expected quality and potential refund.

Commitment to Sustainability

At our core, we hold the preservation of our magnificent planet dear, and we diligently seek sustainable options across all aspects of our operations. A paramount part of this commitment involves the reduction of our carbon footprint.

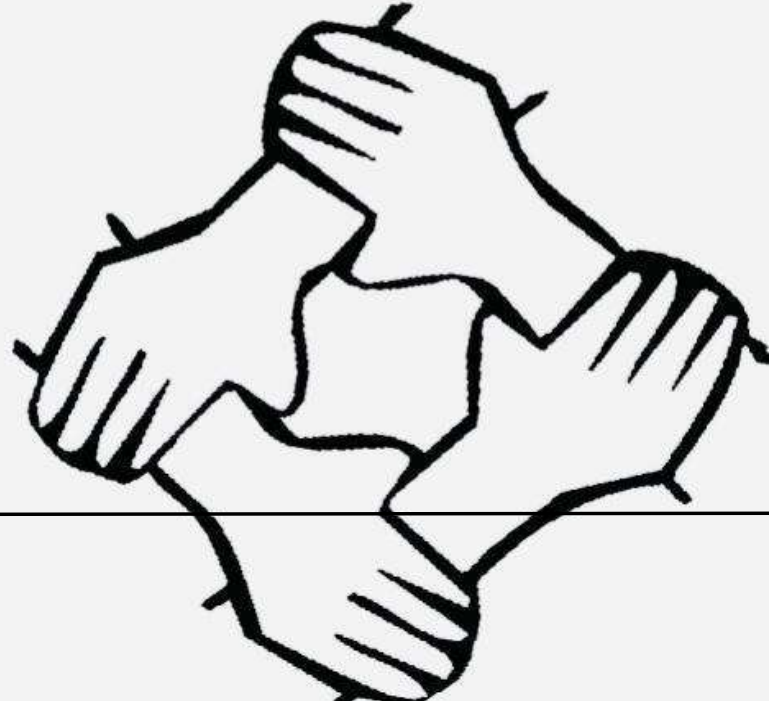

As the world evolves, the demands from both our customers and the environment transform. The moment has come for us to act decisively and bring about positive change. Our unwavering focus revolves around intricate design, professional product development, and the creation of high-quality garments rooted in the highest social and ethical standards. We pride ourselves on the utilization of sustainable materials, including organic cotton, BCI fair trade cotton, Recycled Cotton, and Recycled Polyester. Our products have received the esteemed GOTS, OE, GRS, RCS, and FSC certifications, reflecting our unwavering dedication to producing goods sustainably, all while upholding transparency and ethical practices.

Embracing Diversity and Inclusion

At our core, we offer an expansive array of styles, colors, fabrics, and sizes to cater to a truly all-inclusive audience. However, what truly distinguishes us is our people. We recognize that a diverse workforce is pivotal, not just for the richness it brings, but also for the positive impact it has on creativity, productivity, and overall workplace well-being.

Our commitment extends to recruiting the finest talents, fostering a team that is beautifully diverse across the dimensions of gender, culture, ethnicity, and religion. By assembling the best and brightest minds from various walks of life, we create a vibrant environment that embodies the true spirit of inclusivity. We believe that this tapestry of perspectives and backgrounds enhances our ability to innovate, to connect with our customers, and to contribute positively to the broader global community.

Worker Safety and Health

At our industry, the safety and well-being of our workforce stand as paramount values. We are unwavering in our commitment to creating a secure and healthy environment for every individual within our team. Rigorous safety protocols are in place to ensure that our employees are equipped with the necessary tools, knowledge, and training to perform their tasks safely.

Regular health assessments and preventive measures are integral to our operations, emphasizing our dedication to the holistic well-being of our workforce. By fostering a culture of safety consciousness and providing ongoing support, we prioritize the welfare of our employees, empowering them to thrive in a secure and nurturing workplace.
