At Saharish Fabrics Pvt. Ltd, we take the challenge of helping you grow your textile business by providing the best quality products at competent prices

CEO Message

“We started with power looms and supplied fabrics to local market, after that we started exporting our products directly to foreign customers. Today we are providing power, Auto, Sulzer, Waterjet and Airjet fabrics and home textiles to international market. All the credits of our progress and growth goes to our technical and management team ”

Presentation are communication tools that can be used to as lectures, demonstration, reports and more.
