COMPANY PROFILE

About Us

Welcome to Unihoc Athletics, where innovation meets performance in the world of sports apparel and equipment. Founded with a passion for athletics and a commitment to excellence, Unihoc Athletics has rapidly grown into a leading supplier for high-quality, performance-driven sports gear. Our journey began with a simple vision: to create athletic products that not only meet but exceed the demands of modern-day athletes. From the casual fitness enthusiast to the professional competitor, we understand the diverse needs of our clients. That's why our product range, which includes everything from high-tech workout attire to specialized sporting equipment, is designed with versatility and durability in mind.

Our History

For over five decades, Unihoc Athletics has been at the forefront of the sports export industry, rooted in the historic city of Sialkot, renowned worldwide for its rich legacy in sports manufacturing. Our journey began 50 years ago, setting out with a vision to make high-quality sports equipment and apparel accessible to athletes around the globe. Over the years, we have adapted to the changing landscapes of both sports and global trade.
