QUALITY POLICY

At S&S International, quality is the cornerstone of our commitment to excellence. We define quality as the relentless pursuit of meeting and exceeding our customer's needs both internal and external. While steadfastly adhering to all legal, statutory, and quality requirements. To achieve this paramount objective, our entire organization operates as a cohesive unit, dedicated to delivering products and services that consistently surpass customer expectations. Our unwavering dedication to quality forms the bedrock of our mission, ensuring the highest degree of customer satisfaction and setting the standard for excellence in our industry.

CSR & Sustainability

At S&S International, we are deeply committed to responsible, ethical, and integrity-driven business practices. Our Corporate Social Responsibility Policy underpins our dedication to being exemplary corporate citizens, encompassing all aspects of our operations, both domestically and internationally. We take pride in our various accreditations, which highlight our unwavering commitment to quality, our passion for textiles, our sustainability initiatives, and our strong ethical foundation.

OUR PRODUCTS

At S&S International, we take immense pride in our product portfolio, meticulously curated to encompass a core selection of luxury, performance, and specialist textiles. Our offerings are designed to seamlessly enhance the ambiance of bedrooms, bathrooms, and dining rooms worldwide. We continuously lead in pioneering new technologies and advancements in commercial textile design and manufacturing. Our unwavering commitment to sourcing high-quality linen ensures that our core range not only meets but exceeds the demands of its intended environment, backed by rigorous testing to guarantee excellence.

LUXURIOUS BATH LINEN

Terry cloth, also known as frote, is a natural-based fabric distinguished by its long yarn bristle, forming plush loops. The length of the pile plays a pivotal role in determining the density and degree of the terry fabric. Longer piles result in a fluffier end product, offering unparalleled comfort. Terry cloth can be single-sided or double-sided nap, with the latter being more common in everyday life.

Our terry products at S&S are impeccably suited for discerning establishments like hotels, spas, wellness centers, and clinics. Featuring attractive designs, a wide array of colors, high-quality raw materials, and meticulous finishing, our products meet the demanding requirements of intense washing and drying cycles. They are known for their enduring softness, exceptional absorbency, and a remarkable lifespan that ensures a lasting impression.

TYPES

- Bath towel, pool towel, face towel, and gym towel
- Bathrobes and Bath mats
