Group Companies

Businesses

Even with our multi-faceted experiences and diverse expertise, Mahmood group continues to be the expert in everything.

APPAREL

Multan Fabrics is a knit apparel unit since 2009. MG Apparel is a non-denim unit since 2021.

TEXTILE

Mahmood group focuses on the growth of cotton in the farms ensuring total quality management at every step till the fabric is made.

GINNING

We came into cotton ginning and oil cake in 1948 in Tataypur, Multan. All ginning factories are BCI (Better Cotton Initiative) certified

LEATHER

Khawaja Tanneries exemplifies the best in technological and innovative excellence in leather production.

FOOTWEAR

Khawaja Tanneries making shoes for both males and females in the different categories

RESTAURANTS

MG Agri Foods (Pvt) Ltd, has further diversified in food business under the name of Passion Foods (Pvt.) Ltd. by opening outlets of food chains & franchises.

POWER

An advocate of renewable energy, we take extreme pride in being the largest producer of solar energy in the private sector.

TRADING

Working under the wing of Mahmood Group, is a class apart as its performance has been in accordance with PSX blue chips.

REAL ESTATE

Roomi Enterprises, successfully diversified into Real Estate in the late 90s, to take up the market share considerably.

RETAIL

In 2017, Mahmood Group acquired the brand 'Footlib' and since then has been providing the highest grade leather articles in 12 stores in Pakistan. Moreover, Beyond East is a clothing brand of Mahmood Group.

FOOD

MG Agri Foods (formerly known as Roomi Foods (Pvt) Ltd), inspires to produce healthy, safe and high quality food products.

Mission

Our mission is to provide quality product to our customers, healthy environment and empowerment to our employees, quality lifestyle to stakeholders, sustainable environment to community and job creation for youth by keeping in view our business sustainability.

Vision

To be a globally recognized as a manufacturer to quality knit apparel and to endeavor for excellence through team work. Our objective is to provide a better lifestyle to our community by innovating new ideas along with environmental and business sustainability.

Brands, We Produce

Lead Time

Our maxim is to deliver rapidest lead time to facilitate our clients. We can execute new orders between 10-12 weeks depending upon the styling of a garment, special texture & mélange fabrics. For the repeat and direct production of go-ahead orders, can be easily achieved within 8 weeks.

MOQ (Minimum Order Quantity)

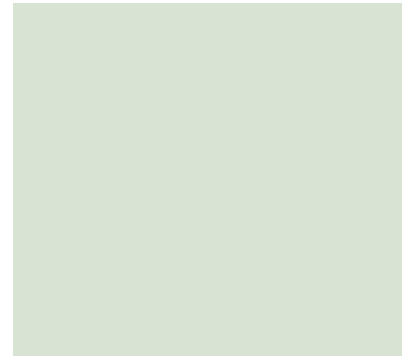

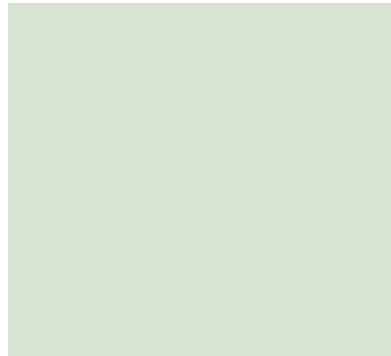

- Minimum as low as 1000 pcs as a trail order.
- 3000 pcs per style for solid and 4000 pcs for yarn dyed or special textured fabrics and also for melange fabrics.

Minimum Order Quantity
MOQ

Quality Standards

We have an independent Quality Assurance Team that conducts inline audits and finishing batch audits complying with AQL 2.5 standard or as per customer's requirement and packing audits at zero tolerance level.

Washing Lab

We have an in-house lab to perform various testing of fabric and garment like color fastness/ cross staining at multi-fibers, shrinkage/skewing, pH, crocking/ rubbing and appearance after wash and others.
