COMPANY REVIEW

AH DENIM is a leading garment manufacturing company that provides services to customers and buyers who are importing or trading garment products.

AH DENIM has established a modern state of the art bottom wear facility in Karachi focused on high quality apparel for Men's, Ladies and children of all ages.

Although our presence is global, our emphasis is on giving special attention to each client taking care to accurately determine individual requirements. Our products and services are customized to meet the needs of each client

JOURNEY OF EXCELLENCE

AH DENIM started its journey in 2000 – as fabric manufacturers – under the leadership of its experienced entrepreneurs, aiming to become the trendsetter it is today.

AH DENIM was aware of the fact that short lead time played a vital role in the modern apparel industry. So, it is located in Karachi, the port city &

attire-manufacturing hub of Pakistan. It became one of the best garment manufacturers to acquire state-of-the-art machinery, dyes and chemicals to ensure the best product quality and safety. It has contributed to social development and is reputed as an eco-friendly organization.

Today, after over a decade of progression, AH Denim is the pioneer of the textile industry of Pakistan and the prime choice of many foreign retailers.

It has grown from a garment manufacturer to composite-knitwear manufacturer, with a massive capacity of over a million pieces of garment and a lot of tons per month.

EXPERT BEHIND OUR ORGANIZATION

AH Denim is known by his rich experience in Denim Industry since 2000 which has led to the roaring success of AH Denim.

PRODUCTS

Our factory is designed to produce fashion and basic garments in fabrics ranging from in various qualities of denim as well as twills, poplin, sheeting, satin and other non denims. The manufacturing facility is designed as an independent linear

The entire production process is based along scientific process design and efficient garment handling.

CAPACITY

AH DENIM is currently producing 0.75 million pieces per year includes basis and fashion garments and plan to expend production capacity in future. Currently we are catering for many brands based in EU, US, Middle East and other markets.

By producing high quality products, making timely shipments and delivering efficient services, we have established a reputation of being committed to customer's satisfaction.

DESIGN & DEVELOPMENT

AH DENIM can comprehend the swinging pendulum of the fashion world and can therefore adapt to the taste of trendy consumers.

This keeps AH DENIM one step ahead of other textile-manufacturers. It has restructured its Sample-Division into a Design & Development Unit. This fully fledged section, headed by a foreign

expert, prepares its own seasonal collection according to the latest market-trends.

AH DENIM's insightful R&D team is always on the lookout for new types of fabrics and products. This helps the Design and Development team and results in better client-management.

QUALITY CONTROL & ASSURANCE

Strict standards of quality have been applied to ensure that every shipment is perfectly monitored from all aspects. In stitching line inspections, section audits, pre wash size specification checks and final quality inspections before washing have been applied. During washing, every batch has to be monitored as per the recipe to ensure perfect color, shade, effects and measurements as required. A QC has been appointed to generate an hourly report to monitor the quality standards after the wash. In finishing, chain system of inspection has been applied and every garment has to be passed by the final quality checkers before packing. After packing, an internal Audit of the garments is carried out before presenting it to the buyer.

WORK PLACE ENVIRONMENT

As a responsible apparel producer, AH DENIM provides employees a work environment high above the law-required level. AH DENIM installed and has updated lighting, ventilation. The goal is to exceed requirements of local legislation and reach the global standards, and thereby support clients' images and sourcing principles. Clearly demarcated emergency routes & exits, smoke & fire detectors, consciously designed working lay-outs ensure a safe workplace for workers. As per ISO requirements, instructions and warning signs are posted in highly visible places, inside the factory and in local language. Moreover, usage of metal gloves in times of fabric cutting, needle guard at the time of sewing and such similar procedures reduces significantly work-related accidents in Base. Besides being safe, AH DENIM workplace offers a congenial & supporting environment for all: managerial staffs and workers work in mutual cooperation and respect.
