

COMPANY PROFILE

WELCOME TO SAIMI EXPORTS

MANUFACTURER & EXPORTER OF ALL KIND OF GARMENTS

OUR STORY

SAIMI EXPORTS was established in 2002, with just 25 machines and a capacity of 5000 garments per month on a CMT basis. Since then this unit has been enjoyed substantial growth every month in terms of value and volume. At present our stitching capacity in T-Shirt 100,000 Polo 100,000 and Zipper Hoodies 75,000 per month, with more than 450 stitching machines.

Our objective is to prove ourselves as one of the best producers of all kinds of garments by offering timely deliveries at very competitive prices. We are determined to further our collective efforts to achieve a real policy by manufacturing and providing superior value products to our customers.

THROUGH THESE EFFORTS WE WISH TO BUILD TRUSTING AND LONG-LASTING RELATIONSHIPS WITH OUR VALUED CLIENTS.

SAIMI EXPORTS has a versatile and energetic team. The Emphasize is on teamwork, satisfactory work, and promotion from within the department. The Chief Executive of the company is headed by Mr. Hazar Khan who has vast experience in the field of knitwear, with his expertise in field of fabrication and marketing. The other staff has been with us for a long time and are very expert in their own respective field, thus making our company one of the best in Faisalabad with every respect.

SAIMI EXPORTS, itself have its own kitting machines, but does not have a dyeing facility, but we have contracts with leading dyeing houses in our city as well as Lahore and a well-skilled staff for its commercial fabrication, which ensure both the quality and in time delivery of the fabric to its stitching department.

The main strength of the SAIMI EXPORTS is its stitching facility which is located on CHAK NO 203/R.B JHUMRA ROAD, SHAMSABAD, FAISALABAD. As the factory is located at the ideal place and there is no problem for workers and staff in regard to conveyance and food etc. The availability of skilled labour is also easy as FAISALABAD is one of the biggest garment producing cities of PAKISTAN.

Our factory has been vertically integrated to facilitate all the processes involved in garment manufacturing under one roof. This enables us to reduce the time spent in completing others while meeting dead targets of buyers. All our machines are the latest available in the market, and whenever required, Saimi Exports always flourishing most modern equipment's. All our departments are equipped with the latest equipment's to maintain the high quality standards that we have set for ourselves.

C.E.O MESSAGE

As a Chief Executive of **Saimi Exports**, I would like to personally extend an invitation to apply for the opportunities to do business with us. As I am closely engaged with my team of qualified and talented staff, which always look forward to exploring new business opportunities, thus fulfilling a market need to gain complete satisfaction of all stakeholders. We are a Manufacturer and Exporter of Textile Fabrics & Garments items with clients all over the world.

Our ability to create forward-thinking solutions that give our clients a competitive advantage is what sets us apart. And We strongly believe in working closely with Our International Clients National and International NGOs, with the aim of “helping hand for needy” and cater the humanitarian needs in an emergency situation for the people affected by crises globally and we came from a strong background of the textile as having our own vertical set up from weaving to finishing, and involved in this field since last 25 years.

We are a constantly, creative and innovative company that has placed its value on providing quality products at affordable prices in a customer-friendly environment. The policy of the company is to provide the best of the best with maximum satisfaction of buyers. We do not believe in borrowing money. We always perform to use our financial strength. Our competitive core value is continuous innovation in business processes, consistent quality at low marginal cost, reliability in long-term business relations, and in-time delivery. Our mission is to become a market –leader within our specialization. In order to achieve such a higher –level, I adopted a zero-tolerance policy on quality and was determined to play my part in creating an environment–friendly and harmonious society to earn the trust and respect of the global community.

MR. HAZAR KHAN

NOW SAIMI EXPORT USES STATE-OF-THE-ART CLIENT/SERVER TECHNOLOGY FOR ITS MARKET INFORMATION PROCESSES TO COORDINATE ITS NETWORK OF GLOBAL BUYERS AND AGENTS AROUND THE WORLD.

WHAT WE DO

WE WORK IN AN ORGANIZED WAY AND OUR APPROACH IS TRADITIONAL. IN THE FIRST STAGE, WE UNDERSTAND OUR CLIENTS' REQUIREMENTS IN-DEPTH, DEVISE A PLAN OF ACTION AND EXECUTE IT. WE MANAGE TIME EFFECTIVELY WITH THE 80/20 RULE, I.E 80% PLANNING, AND 20% EXECUTION. AT SAIMI EXPORT WE ENSURE THAT PRODUCT IS MANUFACTURED ACCORDING TO THE STANDARDS. THE SAMPLES OF THE GARMENT ARE SHIPPED TO THE BUYER FOR REVIEW AND APPROVAL. ON THE APPROVAL FROM THE BUYER, THE PROCESS FOR MASS PRODUCTION IS INITIATED.

SOURCING

Well established vendor connection along with great teamwork makes The Saimi Export specialist in sourcing. This also allows the company to explore the unexplored possibilities of sourcing the best garments. Saimi Exports keeps its zeal intact in line with those who pioneered insourcing.

VENDOR SELECTION

We help the buyers to carefully examine the practices of the manufacturer, carry out a background check and then place the order. Vendor selection is one of the key success of all our endeavors, we select ISO certified manufacturers and suppliers who display the competitive price. We ensure that the garments meet the social-environmental compliances approved by SEDEX.

PRICE NEGOTIATION

Price negotiation is one of our key strengths. We get competitively-priced products for our clients without any compromise on quality. The price negotiation is kept transparent and under the surveillance of the buyer. We take extra care to maintain transparency and competitiveness when it comes to price negotiation.

PRODUCT DEVELOPMENT IN BULK

On the receipt of approval on samples, the process for product development in bulk is initiated. We develop the product according to the buyer's requirements and specifications. Along with the product, we attach a tag that has all the important data about the product as well as the wash and care instruction.

LOGISTICS & SHIPMENT FOLLOW UP

Our logistics department handles all the documents regarding the shipping of the product. We ensure that we have the correct shipping documents and get prior approval from the client before and post-shipment. This ensures trouble-free delivery to the destination.

We also record our follow-ups which saves time. The Saimi Exports sends out shipping advice with all relevant details of the shipment to ensure a smooth delivery.
