FINE THREAD

MANUFACTURER OF INDUSTRIAL SEWING THREADS

MISSION STATEMENT:

At Fine Thread, our mission is to provide our customers with the highest quality industrial sewing thread solutions, backed by our commitment to sustainability, innovation, and customer satisfaction. We strive to exceed our customers' expectations in everything we do, and to continuously improve our products and services to meet the evolving needs of the industries we serve.

DIRECTOR'S MESSAGE

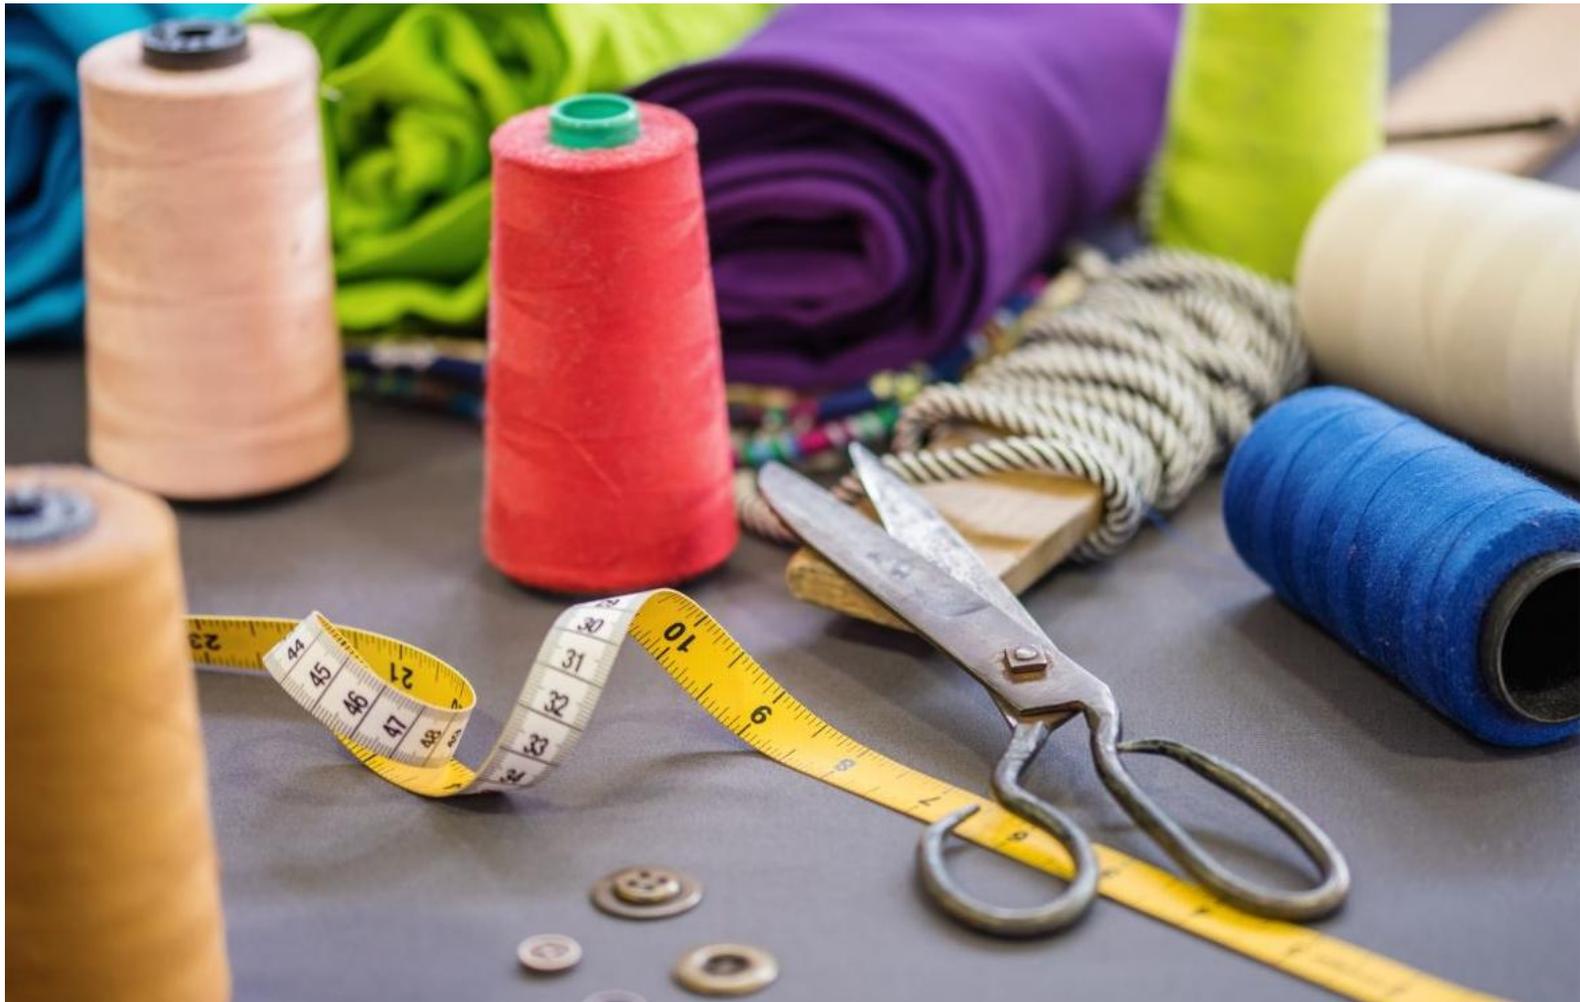

IRFAN RAZA
Director FINE THREAD

As the Director of Fine Thread, I am proud to lead a company that is committed to delivering the highest quality industrial sewing thread products and services to our customers. At Fine Thread, we take pride in our reputation for excellence and our commitment to sustainability, innovation, and customer satisfaction. We believe that by investing in our people, our products, and our communities, we can continue to build a strong and successful company that makes a positive impact on the world. I am honored to work alongside a talented team of professionals who share our vision and values, and I look forward to continuing to lead Fine Thread to new heights of success.

WHO ARE WE?

Fine Thread is a reputable manufacturer of industrial sewing thread based in Faisalabad, Pakistan. We are committed to producing high-quality thread products that meet the needs of various industries while adhering to the highest certification standards such as OEKO-TEX Standard 100 and ISO 9001:2015. Our adherence to these standards ensures that our products are environmentally friendly, safe, and comply with international regulations. With a team of experts dedicated to providing the best possible solutions to our customers' thread-related needs, Fine Thread is a reliable partner for businesses looking for quality and consistency in their sewing thread products.

OUR ACHIEVEMENTS

Certified for Success and Recognized for Excellence: Celebrating Our Achievements in OEKO-TEX Standard 100, ISO 9001 2015, PMEA and Business Excellence Award 2018

OUR PRODUCTS

Fine Thread offers a diverse range of high-quality thread products to meet our customers needs. Each of our products is manufactured with the utmost care and precision to ensure maximum strength, durability, and performance, making Fine Thread a reliable partner for all your industrial sewing thread needs. Here's a list of the products Fine Thread offers:

1. 100% Spun Polyester -

A versatile and durable thread that is ideal for use in a wide range of applications, including apparel, home textiles, and automotive fabrics.

2. Denier (Continuous Filament) -

A strong and durable thread that is ideal for use in technical textiles and high-performance outdoor gear.

3. Poly/Poly Core Spun Thread -

A high-strength thread that is ideal for use in heavy-duty sewing applications, such as leather goods, footwear, and upholstery.

4. Cotton/Poly Core Spun Thread -

A durable and versatile thread that combines the strength of polyester with the softness of cotton, making it ideal for use in a wide range of applications, including apparel and home textiles.

5. Monofilament -

A transparent thread that is ideal for use in applications where visibility is important, such as fishing nets and medical textiles.

OUR PRODUCTS

6. Burmilana Thread -

A soft and fluffy thread that is ideal for use in knitwear and embroidery applications, adding texture and dimension to designs.

7. Reflecting Thread -

A thread that is engineered with reflective properties, making it ideal for use in safety apparel and accessories.

8. Thermochromic Thread -

A thread that changes color when exposed to heat, making it ideal for use in applications such as temperature-sensitive packaging and novelty items.

9. Photochromic Thread -

A thread that changes color when exposed to UV light, making it ideal for use in applications such as outdoor clothing and accessories.

10. Glow In Dark Thread -

A thread that glows in the dark after being exposed to light, making it ideal for use in safety apparel and novelty items.

11. Water Soluble Thread -

A thread that dissolves in water, making it ideal for use in temporary stitching applications, such as basting and quilting.
